For the Kentucky Tribune.
Meeting of the Stockholders, and Organization of the South-Western Railroad Company.

On the 13th day of August, 1852, in pursuance to a call of the President of the Board of Commissioners of the South-Western Railroad, a meeting of the Stockholders was held in the Court-House at Danville, Ky., for the purpose of organizing the company of said Railroad by the election of a Directors.

On the nomination of General John B. Rodgers, of White county, Hon. A. Cullom, of Overton, was elected President of the meeting, and Joseph Snodgrass, of White, and J. W. McHenry, of Overton, were elected Secretaries.

The President, on taking the chair, made a brief but pointed and forcible speech, in which he urged the great importance of harmony and concert of action to the future success of the enterprise—the initiatory steps to the construction of which the meeting had met to take.

The commissioners of the road submitted, through E. N. Cullom, President of the Board, the following report:

"The Commissioners appointed by the Legislature of the State of Tennessee, to superintend the opening of books for the subscription of stock to the South-Western Railroad, report that they have obtained a bona fide subscription of stock to said Railroad to the amount of one hundred and twenty-seven thousand two hundred and fifty dollars (\$127,250)."

E. N. CULLOM,
President of Commissioners.

Maj. W. E. Nelson, of White, offered the following resolution, which was unanimously adopted:

Resolved, That a committee of five persons, stockholders, be appointed to report immediately, further business for the consideration and action of this meeting.

The President, in obedience to the above resolution, appointed Wm. E. Nelson and Wm. Basson, of White, E. N. Cullom, of Jackson, E. N. Cullom and T. F. Bates, of Overton.

The committee thereupon offered the following report, which was unanimously adopted:

The committee appointed to consider upon the further business for the action of this meeting of the stockholders of the South-Western Railroad, respectfully report.

First, That they unanimously agree that in the election for directors to organize the company the county of White shall have eight directors, the county of Jackson one, and the county of Overton shall have six directors. The committee having carefully considered the above distribution of interests in all their bearings, do recommend it for the adoption of the meeting.

Secondly, That we recommend the appointment of three judges, and two clerks to hold the election for directors—the same to be appointed by the Chair.

Thirdly, That a committee of seven be appointed to report nominations for the office of fifteen directors of the company, to-wit: three for the county of White, one for the county of Jackson, and three for the county of Overton.

WM. E. NELSON, Ch'mn.

The President, in pursuance of the above report, appointed J. P. Goodbar, Wm. E. Nelson, and John B. Rodgers, of White, Daniel W. Hawes, of Jackson, Richard Copeland, Wm. H. Turner, and T. F. Bates, of Overton, a committee to recommend suitable and qualified persons for the office of directors.

The above committee suggested the names of the following gentlemen: E. L. Gardinier, John B. Rodgers, John Hill, J. W. Simpson, Joseph Snodgrass, Wm. Graham, Wm. E. Nelson, and Wm. Basson. White, Stephen D. Barton, of Jackson, and A. Cullom, A. J. Goodbar, E. N. Cullom, F. H. Dougherty, T. F. Bates, and Wm. H. Turner, of Overton.

The President in further obedience to the report aforesaid, appointed Joseph Hill and David Snodgrass, of White, and J. E. Manning and M. Y. Brockett, of White, clerks to hold the election for a Directors, who being duly sworn by W. W. Moore, a Justice of the Peace for White county, proceeded to hold said election.

hereby tender to those gentlemen an expression of the thanks.

Wm. Basson, Esq., of White, offered the following resolution which was unanimously adopted:

Resolved, That the proceedings of this meeting be published in the Sparta Times, the M'Intosh Enterprise, and the Tribune at Danville, Ky., and such other papers as are friendly to the great enterprise.

On motion, the meeting adjourned; and the officers of the meeting were requested to sign, as usual, the proceedings.

JOS. SNODGRASS, Secretary.

Letter from Hon. J. F. Bell.

In the Hopkinsville (Ky.) Rifle of last week, we find the following excellent letter from our fellow-citizen, Hon. J. F. Bell, Whig Elector for the State at large. It breathes the true Whig spirit, though we should not expect any other than such a letter from such a devoted and true Whig as we know Mr. Bell to be.

We publish in another part of our paper a list of his appointments for public speaking.

The following letter from one of our able State electors, Hon. J. F. Bell, will convey to our citizens the pleasing intelligence that he designs visiting Hopkinsville some time during the present canvass. We may assure him that whenever he comes our gallant whigs will cheer him onward by an old-fashioned exhibition of whig enthusiasm. His sentiments concerning the nominees will meet with a hearty response, and we hope his announcement of the unanimity manifested by the whigs in his portion of the State will cheer and animate the friends of Scott to still greater exertions in this latitude.

With such electors as Bell, Preston, Marshall, Stevenson and others, we can carry the State for the old hero by an overwhelming majority. Let us go to work and do it!

DANVILLE, Aug. 20, 1852.

J. E. CARNES, Esq.:
Dear Sir—Your highly esteemed favor inviting me as an Elector to visit your portion of the State was received in due course of mail. At the time of its receipt, and until within a few days, it was very uncertain whether I could possibly act as an Elector, as my engagements were such as to require my whole time, in other than political pursuits; and indeed I was anxious that some other person should have been substituted in my place who could more ably and more exclusively devote himself to the duties usually performed by and rightly required of an Elector for the State at large. But it has been ordered otherwise and I submit. Now, since have assumed the place, I hasten to reply to your very kind and complimentary letter. I hope to visit Hopkinsville, and will in due season appear at your time.

The whigs here, like yours, intend to do their duty in the coming contest. They will zealously support our candidates. It is difficult to perceive on what principle or even pretext a whig could refuse his support to Scott and Graham—committed as they fully are to the platform laid down by the party convention at Baltimore. They are gallant and true men of whom we should be justly proud. Gen. Scott has been ever faithful to the fortunes of the whig party; never has he failed his support to whig principles or whig nominees of the National Convention. Harrison, Clay and Taylor have been successively supported by him.

His claims to support do not, however, rest alone on his devotion to his party. No living man has illustrated a more unflinching patriotism by so many heroic achievements on the battle field; few men have exhibited higher administrative capacity by the performance of delicate and difficult civil services in times of national peril. Take him all and all—his devotion to whig principles—his illustrious services—his world-wide renown; he richly merits the approval of his party and the nation.

Thus far in his history the shadows of defeat have never rested on his standard, nor dimmed his fame. May we not regard the past invincibility of our leader as the presage of approaching success.

The well tried son of the old North State is worthy of association with the hero of Niagara and the victor of Mexico. With these leaders we have no doubters, no laggards, no needless desertion from our ranks. This part of the State will show in November that it will appreciate and properly honor a chief who never falters or fails. With assurances, &c., I am very respectfully,
J. F. BELL.

Two KENTUCKIANS KILLED.—A California letter gives the following accounts of a tragedy in which two Kentuckians were engaged:

A terrible tragedy was enacted on the Plains near Bear River. It occurred between two brothers-in-law, Beasley and Beal. The parties agreed on a separation, and Beasley got the weaker team and had a sick man in his wagon. Immediately after the division, he hitched up his team and proceeded on his journey, leaving Beal at Green river. In a few hours after, Beal started and in the course of the day overtook Beasley on a hill where he had stopped to rest his mules. The former turned out of the road and passed by—the latter asking him if it were his intention to leave him (Beasley) with the sick man. Upon Beal's answer being given in the affirmative, Beasley stepped to the front of his own wagon, drew out his rifle, and deliberately shot him down, killing him instantly. A large train came up about this time, and stopped and buried the murdered man. Beasley was tried, found guilty, and shot the next morning. Both were from Kentucky.

Single copies of the Tribune can be had at the office at 5 cents per copy.

We have been so pressed with Job Work during the past week, that we have been unable to give proper attention to our paper.

The Whig Meeting at Perryville takes place to-morrow. A large crowd is expected, and every Whig in the country who can should attend.

POLITICAL SPEAKING.—Messrs. Bramlette and Chrisman, Electors for this district, will address the people at the Court House in this place, to-morrow week, and at Perryville on the Thursday preceding.

WHIG MASS MEETING AT LIBERTY.—The Whigs will celebrate the anniversary of Gen. Scott's triumphant entry into the City of Mexico, by holding a mass meeting in Liberty, Casey county, on Tuesday next, the 14th inst. Hons. J. F. Bell, J. B. Thomson, and others will deliver addresses. Let every Whig who can possibly attend, do so.

The Missouri Legislature has at last succeeded in organizing, by passing a resolution that Dr. Shelby, (Bentonite) be Speaker of the House, for the extra session only. They had taken 46 ballots without a choice.

The health of the Hon. Ben Hardin is said to be rapidly declining, and his death may soon be expected. He has made a profession of religion and become a member of the Methodist church.

The Somerset Gazette says that Rains, who killed McFarlane in White county, last winter, has been found guilty and is to be hung on Friday, the 8th of October next.

KENTUCKY NEW ERA.—This paper, published at Louisville, by the Grand Division of the Sons of Temperance, is now issued weekly instead of semi-monthly, as heretofore. We are glad to note this evidence of its prosperity, as it is one of the best papers in the State, and works much good in the cause of Temperance. Every friend of Temperance should subscribe for it. Our old friend Chas. Eschsch, Esq., is the editor. Terms—\$1 per annum in advance, which is cheap enough, in all conscience.

CHOLERA.—Fourteen deaths from cholera occurred at Paris, Ky., for the week ending Thursday at noon. The Citizen says:

The whole number of deaths of cholera, from the first case, on the 23d of July, to September 23, in town and on the line of the Railroad, within two miles of this place, is thirty.

Of this number, six were permanent citizens, four blacks, and the remainder Irish laborers on the Railroad.

FOR LIBERIA.—The Colonization Herald says, in consequence of numerous applications for passage to Liberia, it is intended to send three vessels thither shortly. These will sail from Baltimore, on the 15th September; New York, October 1; and Baltimore, November, 1.

MURDER.—Samuel Rezin, in or near Louisville, was wounded one day last week by a pistol shot fired by David Kirkpatrick, from the effects of which he died on Saturday last.

AGRICULTURAL FAIRS.—There are forty-nine county agricultural fairs to be held in this State this fall, and nineteen of them will be held the first week in October.

THE NEW POSTMASTER GENERAL.—The Hon. Mr. Hubbard, who has been appointed Postmaster General, lives in Middletown, Conn., was formerly a member of Congress, was a delegate to the recent Whig National Convention, and is a strong Scott man.

We published some weeks since, an extract from the Indiana State Sentinel, saying that "the ignorant Irish and Dutch voted the Democratic ticket," which paper we suppose assigned that as a reason why Pierce would be elected. Our neighbor of the Ploughboy gets very wrothy, accusing us of endorsing calumnies, and lets off an amount of gas entirely disproportionate to the importance of his subject. He says the extract is a "garbled one," and that it is made to mean exactly the opposite to what the author designed. Now, we know nothing what the Sentinel intended, by the remark quoted, but we do know that it is one of the most violent and reckless Locofoco sheets in the country, and that its editor is capable of saying and doing almost anything, however outrageous, to increase the chances of his political friends. The man who would as the Sentinel has done, accuse Gen. Scott of cowardice, is mean enough to be guilty of the remark we copied, or even worse, and as we had good authority for the publication of that remark in the precise form that it appeared in the Tribune, we still believe we were right. As the editor of the Ploughboy appears to keep a file of the Sentinel, if he will send us the number from which the "garbled extract" was made, we will, if then convinced that we were in error, make the amende honorable, but not till then.

"WHAT ARE THE WHIGS FIGHTING FOR?"—The New Orleans Bulletin copies the above question from a Locofoco exchange, and replies: "It is so very easy to satisfy the querist, that we cannot refrain from doing so. Perhaps it will reform him. There is much truth in the line, 'While the lamp holds out to burn,' &c. Well, sir, the Whigs are fighting for the man who has been fighting for his country more than forty years; for river improvements; for harbor improvements; for railroad improvements; for American industry; for the development of the resources of the country; for the elevation of our people, socially, intellectually, and religiously; for the perpetuation of the Union and the liberties of our happy land; for all the vast and varied interests of the country, which we desire shall be placed on a stable and prosperous foundation; for true men and true patriots; in fine, for SCOTT, GRAHAM, OUR COUNTRY, and VICTORY! That is what we are fighting for. Are not the prizes valuable beyond comparison, and worth any struggle to secure them? They are, and they shall be secured."

THE MINNIEVILLE RAILROAD.—A Voice from Tennessee.—We publish in another column the proceedings of the meeting held at Sparta, Tenn., to organize the South-Western Railroad. The Sparta Times says that "the Board of Directors of the road at a meeting held on the 27th ult., made an order for an immediate experimental survey of the track for this road from McMinnville by way of Sparta to Livingston. The Directors are determined to push the work forward with untiring energy. The Committee appointed by the Board to employ a surveyor and his assistants, with all necessary equipments, together with Hon. A. Cullom, President of the Board, and Col. W. P. Goodbar, left to-day on a mission South, to carry into effect the order of the Board, and by our next issue we hope to be enabled to announce that the Engineer, together with his assistants and the Committee, will be upon the ground, actively engaged in the survey." Kentucky may learn from this what Tennessee is doing in this great work. The motto of Tennessee is "Onward!" and there will be no relaxation of energy until the work is completed.

The Times further says: "Our friend of the Kentucky Tribune, at Danville, may say to his friends that the Tennesseans have not forgotten the pledge made to the Kentucky delegation at the Burksville Convention. Tennessee will stand firm to that pledge, with the double assurance that Old Kentucky—ever noble Kentucky—will sacredly maintain the same."

Testimony of Gen. Cass.
At a Democratic Mass meeting in Baltimore, on the evening of the 31st ult., Gen. Cass, who was called on for speech, thus spoke of Gen. Scott. What will the vile slanderers of the glorious Old Hero say to this just tribute to his worth and fame, from the great gun of the Democracy? Gen. Cass said if any one expected him to abuse Scott OR THE WHIG PARTY, they were much mistaken.—GEN. SCOTT WAS A GALLANT SOLDIER, WHOSE NAME WAS INSCRIBED ON THE BRIGHTEST PAGES OF AMERICAN HISTORY."

Col. Benton is authoritatively announced as a candidate for the Senate of the United States in 1854, and sooner if Senator Geyer can be forced to resign by instructions from a locofoco legislature, which we suppose Mr. Geyer possesses too much good sense and independence to do.

THE FISHERY QUESTION.—The English ministerial journals announce, with confidence, the termination of the fishery difficulties, on terms of absolute reciprocity.

Advices from Australia to the middle of May report the yield of gold as immense—far outstripping California.

THE FAIR.

The exhibition of the Central Kentucky Stock, Agricultural and Mechanical Association, commenced here this place on Wednesday last. On that day, though the weather was very unfavorable, the attendance was very good, and the competition for premiums quite animated. There was much more stock on exhibition than we expected to see, and we doubt if any fair in the State will present an array of finer animals.

The following is the list of premiums awarded the first day:

SHEEP.—Backs—4 entries. Wm Thompson, of Mercer, Premium; W A Cook, Mercer, certificate. Ewes—3 entries. W A Cook, of Mercer, Premium; N T Lee, of Boyle, cer.
HOGS.—Boars—2 entries. J M McFerran, of Boyle, Premium; F S Fisher, Boyle, cer. Sows—3 entries. F S Fisher, Boyle, Premium; N T Lee, Boyle, cer. Fatted Hogs—3 entries. A E Logan, Boyle, Premium; Jas Clark, Boyle, cer. Best pair Pigs—5 entries. J H Irvine, Boyle, Premium; J M McFerran, Boyle, cer.
2 yr. old Mules—2 entries—N T Lee, Boyle, Premium; N Harris, Mercer, cer.

1 yr. old Mules—3 entries—T B Spalding, Marion, Premium; Jos Helm, Boyle, cer.
SUCKLING MILK COWS—8 entries—J R Weisiger, Boyle, Premium; Wm Stewart, Boyle, cer.
AGED JACKS—3 entries—J F Mason, Boyle, Premium; J R Woods, Garrard, cer.
2 yr. old JACKS—3 entries—D A Knox, of Boyle, Premium, and cer.
1 yr. old JACKS—2 entries—C Raines, Boyle, Premium; Geo Bowman, Garrard, cer.
SUCKLING JACK COWS—3 entries—W L Tarkington, Boyle, Premium; S C Brown, Washington, cer.

AGED JENNIES—4 entries—S C Brown, Washington, Premium; W L Tarkington, Boyle, cer.
2 yr. old JENNIES—3 entries—J M Meyer, Boyle, Premium, and cer.
1 yr. old JENNIES—3 entries—T M Barford, Mercer, Premium; W L Tarkington, Boyle, cer.
SUCKLING JENNIES—3 entries—G O Talbott, Boyle, Premium; F Ray, Marion, cer.

Yesterday, the second day, was devoted chiefly to the exhibition of domestic articles, and notwithstanding the weather continued unfavorable, a very large crowd attended, the ladies being out in great numbers. The articles exhibited reflected the highest credit upon the makers, and the number of competitors for premiums, are quite sufficient to assure the friends of the Association that it is now established upon a permanent basis.

To-day is the last day of the Fair, and will be devoted to the exhibition of Horses.

We will publish a full list of the premiums awarded, in our next paper.

THE PREMIUM PLOUGH.—The Plough which took the premium yesterday at the Fair, was manufactured by Mr. Thos. BRINLEY, of Simpsonville, Shelby county, Ky. It was painted and ornamented in splendid style, and is said to be the best plough made in the State. It has taken several premiums already, and will doubtless receive another at the Lexington Fair. Mr. B. sold 15 of his ploughs before leaving the fair ground yesterday.

Hon. J. F. BELL.—The Louisville Journal of Saturday last, says: "The Hon. J. F. Bell, one of the noblest of our Whig champions, addressed a large crowd at the Frankfort court-house on Tuesday evening. He made one of the finest of his efforts."

The people of the South should remember, that the New York Evening Post, the champion of the free soil democracy, and advocating the election of Pierce and King, says: "Scott is represented as the express champion of FINALITY, of which there is not a word in the democratic platform."

And Recollect too, that Watson G. Haynes, who electioneered so strongly for the nomination of Pierce at the Piusburg Free-soil Convention says in a published letter: "I recommend Mr. Pierce on Free Soil, anti-Popery, and anti-Maine Law grounds."

He seems to think, says the N. Y. Express, that Brandy and Religion are questions quite as deeply involved in Gen. Pierce's election as the pet hobby of Free-soilism.

EXECUTIONS.—Thomas Shannon was hung at Cynthiana, Ky., on Saturday last, for the murder of John Devereine. He acknowledged the crime, and said it was committed while he was under the influence of whisky.

The slave Marion was hung at Harrodsburg on Friday last, for the murder of Mrs. Sally Carief.

Immense crowds of course witnessed both executions.

The Hog Crop.—The Louisville Journal says: "In conversation with a gentleman connected with one of our packing houses, who has traveled lately extensively in the State of Indiana and also in Kentucky for the purpose of informing himself correctly as to the prospects of the coming hog crop, we were informed that, according to the best information he has been able to obtain, the increase in quality and quantity will be equal to 15 per cent, over last year's crop. Contracts have been made at \$6 net. The number of Indiana hogs which will be slaughtered here this year will be much larger than that of any preceding year."

REVOLUTION IN AUSTRALIA.—Intelligence from Australia indicates that the tendency to Republicanism is progressing rapidly, and a declaration of independence will be made ere long. The next arrival may bring the news of the outbreak.

MR. GRAHAM AND MR. WEBSTER.—Mr. Graham, the Whig candidate for the Vice Presidency, has written a letter declining to permit the use of his name upon a ticket on which Mr. Webster is named for President. The reasons which he gives for doing so are, that Gen. Scott was regularly nominated as the Whig candidate, and that he is eminently worthy of the support of any party.

RIVERS AND HARBORS.—PIERCE AND THE VETO! Mr. McClelland, a prominent Locofoco in Illinois, in a late speech at Shawneetown, (says the Chicago Tribune), "characterized the system of improving Western Rivers and Harbors by the General Government as wild and visionary," and declared that IF PIERCE WAS ELECTED, HE WOULD VETO ALL SUCH SCHEMES!

Benton in a justification speech at St. Louis, says that in the recent election for Congress he "went right ahead, hitting right and left, knocking over compromises, platforms, caucuses, conventions, regular nominations, fugitive slave law and all," and that he is against all indirect voting—all delegate and proxy work—all interlocking conventions, from Presidential nominations down to thimble-rig juggling for State and County officers.

GREAT STORM AT MOBILE.—The city of Mobile and vicinity was visited by a most destructive tempest on the 25th and 26th. The river at that point rose to such an extent as to greatly increase the destruction of property. The wharves, together with many buildings were washed away, and the loss of life and property is said to be very great. Several boats were lost.

ANOTHER STEAMBOAT DISASTER.—The steambot Reindeer burst her boilers on North River near Bristol, N. Y., on the 4th, 27 persons were killed and many others dangerously scalded.

GRAND LODGE OF KENTUCKY.—We copy the following from the Lexington Observer of Saturday:

The Grand Lodge of Kentucky terminated its annual session yesterday, and most of the members have returned to their homes. It was very numerously attended during its convocation.

Sruther Mitchell, Esq., of Mt. Sterling, Grand Master of the Grand Lodge of Kentucky, delivered the customary oration at the Christian Church on Thursday evening. The subject discussed was the harmony of Christianity and Masonry. Mr. M. spoke for about an hour in a strain of the highest eloquence. The fraternity of Masons everywhere is under a lasting obligation to him for an address so far outstripping the ordinary efforts on such occasions.

Fisk's Patent Air-Tight

METALLIC BURIAL CASES.

THE subscriber having obtained the agency for the above Burial Cases, would call the attention of the public to them, as being greatly superior, in every respect, to the common Wooden Coffin, and in fact, for durability, elegance, style of finish, &c. They stand unrivalled, and wherever they have been introduced they have obtained a decided preference over every other Coffin. Their neatness and their great convenience render them very desirable; while their cost being but little, if any, above that of the common wooden coffin, places them within the reach of all. Satisfied of their superiority, I have no hesitation in recommending them to this community. I shall in a few weeks have a fine HEARSE, and will always be ready to attend to calls in the city or country, either day or night.
